

Venusian Gardens

For an event that's a true work of art, bring your guests to the Venusian Gardens. This marvelously renovated 150 year-old church serves as a dazzling gallery and workspace for renowned artist Eric Ehlenberger and his unique sculptures of neon, glass and aluminum. The venue invites guests into a world of color with its Venusian Gardens art gallery and exhibition space filled with original works. Perfectly designed and spacious enough for large groups, corporate parties, weddings and more, this site is a rare and sought-after spot for events that are anything but ordinary.
