

Librisa Spa Corporate Package

We all need a break from the stresses and strains of our busy everyday lives, and when you arrive at the relaxing surroundings of Librisa Spa in the beautiful Mount Nelson Hotel gardens with Table Mountain as a backdrop, you will already begin to feel that you have travelled out of the city to a far flung oasis.

Librisa Spa Corporate Packages have been designed for individual staff members as well as for groups, allowing you to spoil your hard-working team with a truly indulgent treat or to reward the person in your department who has surpassed all expectations. Librisa Spa is able to accommodate up to 16 guests over the period of half a day. Whilst some are enjoying their indulgent treatments in the spa, others can lounge around the heated Oasis swimming pool and relish relaxing compresses and hand and foot massages.

When your pampering time is over, you might consider a lunch at the hotel's Oasis Restaurant which offers a magnificent spread of colourful salads and stir fries. Alternatively, Librisa Spa can arrange a customised lunch or tea break menu. You may decide to throw all caution to the wind and indulge in the Mount Nelson Hotel's renowned Afternoon Tea buffet. Whichever way you choose, the Librisa Spa team will be delighted to assist you with your particular needs and desires.
